

2022 ALPINE ANGUS AUTUMN BULL SALE

The 2022 Alpine Autumn Bull Sale will be held at the Alpine Sales Complex, Rosewhite on **Wednesday 16 March at 1 pm.**

For many years now the Alpine Angus program has been consistently investing in genetics we believe puts extra dollars into our clients pockets. The basis of this is selecting for phenotype, good temperament and structure, to produce sound, functional, easy-care females and bulls that will last, and whose progeny will land safely. This is our core breeding objective. We try to combine this with high-performance and explosive Birth to Growth. This is all intended to help our clients achieve the two most important profit markers – namely maximising the number of live calves born and the kilos of beef grown per hectare.

In the 2022 Alpine Autumn Bull Sale lineup there are sons of Coonamble influenced, strong phenotype sires in Alpine Muzza, Alpine Elevator M268, Coonamble Leader & Coonamble No Limit. Also Karoo Knockout and Karoo Main Event. Main Event produced last years \$75,000 sale-topper in Spring, while No Limit and M268 producing high sellers at \$46,000 and \$30,000 respectively. Coonamble Leader sons have also topped previous sales on more than one occasion.

If you are looking to add explosive growth to your herd, look to the Birth to Growth sires Baldrige Beast Mode, Baldrige 38 Special and Sitz Investment. Sitz Investment has also left Alpine Angus with an outstanding line of performance females. In addition, Baldrige Beast Mode and 38 Special are half-brothers out of Baldrige Isabel Y69, one of the top dams in the Angus breed. Beast Mode produced a cracking \$32,000 son last Spring.

We have shifted our focus a little to add extra carcass potential to our herd. To achieve this, we have used two carefully selected high-carcass EBV

sires in Lawsons Momentous and Rennyalea N542 to improve on this facet, while maintaining the functionality, length, capacity and growth of our cattle. Momentous has already produced numerous sale-topping progeny while N542 has sired top-priced and high-selling bulls from his first run of calves and seems destined to follow the same trajectory.

Alpine Manager Chris Oswin, "Overall the Alpine 2022 Autumn lineup of 115 Angus Bulls comprises a strong, consistent-to-type line of bulls out of a cowherd that is heavily focused on maintaining the functional traits that has made the Angus breed so successful in today's world. Structure, temperament and femininity are key strengths of the Alpine Angus females. Sirelines used by Alpine Angus have been selected to maintain this, while injecting growth, performance and carcass potential."

"It has been immensely satisfying to see the fantastic results Alpine sired weaners have been making in various saleyards throughout the state and the high regard these calves are held in. We feel privileged to be able to supply bulls into many quality cattle herds throughout the region, headlined by those in the high country, its valleys and surrounds."

The 2022 Alpine Angus Bull Preview will be held at Rosewhite on 14 March between 11am–3pm. This is the Monday of the Victorian Labour Day long weekend just two days prior to the sale. Alpine Principal Jim Delany, "The 2022 Alpine Sale Bull Preview has grown in popularity over the last four years and provides a great opportunity to select bulls a couple of days before the sale in a relaxed manner. If that timing doesn't suit a private preview can be arranged with a phone call to Chris." Alpine manager, Chris Oswin, "Every effort is made to ensure Alpine Bulls go to work in peak working condition. Both physically, through Semen-testing presale as well as being independently structurally assessed. In addition, all Sale Bulls have been parent verified and have been genomic tested to verify their EBVs. The fall of the hammer at our sales represents the beginning of a relationship with our clients – a comprehensive After Sale guarantee plus our 'can do' attitude means we have our client's back should something go awry."

All the best,
Jim Delany *Principal*
Chris Oswin *Manager*
